Routing Instructions

With our focus on increased service levels and cost control, please ensure your shipping records indicate all shipments consigned as follows unless otherwise specified on our purchase order:

**Simcona Electronics of Canada
3422 Wonderland Road South
London, Ontario, N6L 1A7
Canada**

- Please ship orders using UPS Standard Ground, account number **03E504** for all shipments under 500lbs (*please do not insure or declare a value on shipments*).
 - ***** Please note all spools need to be encased in cardboard up to 75lbs *****
 - If the shipment is over 500lbs or if a single piece exceeds 150lbs ship via Manitoulin Transport
 - pickup@manitoulintransport.com or call 800.265.1485 ex#2
- Please ensure LTL shipments are cleared by UPS OMD mark BOL “UPS OMD clearance # OMS05856 from customs clearance”

Please Note:

These shipments are export shipments destined to Canada. As such, each shipment must include a Canada Customs Invoice (CCI) attached to the outside of the package or digitally through a carrier label. In addition, if the material is USMCA (CUSMA) applicable this document should be sent with each shipment.

Shipments of dangerous goods require prior notification and are subject to special handling. Please confirm with Simcona Electronics before shipping any quantity of these materials.

Your assistance in complying with the above change is greatly appreciated. If you have any questions or concerns please contact the undersigned.

Yours truly,

Simcona Electronics of Canada Inc.
